

EMT ACADEMY

Start a Rewarding EMS Career with

Adair County Ambulance District

We are currently accepting applications for full-time candidates to become an Emergency Medical Technician (EMT). No experience, certification, or license required

The candidates will be hired as a full-time benefit eligible employee and compensated at an hourly rate of \$11.50 per hour. The ACAD ACADEMY EMT TRAINING PROGRAM is a rigorous, fast paced 10–12-week program which, upon completion, will qualify the employee to challenge the National Registry Emergency Medical Technician exam and subsequently become licensed in the State of Missouri. After becoming a licensed EMT you will go through a very extensive orientation process prior to being released to work as part of a two-person team delivering EMS care within the community.

The Right Candidates Must:

- Be at least 18 years old
- Have proof of a high school diploma or GED
- Valid Driver's License
- Successfully complete the pre-employment screening which includes motor vehicle and criminal background checks, medical exam, physical agility test and drug test.
